What is this? Our 2023 Junior Golf Camp will be a four day program consisting of four instructional clinics.

Who can take this Camp? The Camp is open to children who are ages 7-17.

What will my child learn? The Camp will teach your child the proper golf skills that are needed to play the game. The Beginner Camp is for the child who has limited golf experience. The Intermediate Camp is for the child who has a couple of years of experience. Your child will also be introduced to the basic rules of golf and golf etiquette.

What is the cost of this Camp? \$100 includes instruction by our professional staff, range balls, and green fees during the Camp. Children will also receive green fees at a discounted rate on weekdays when accompanied by a paying adult so that they can practice what they have learned.

What will my child need to participate in this Camp? Please bring the following things to each clinic: Golf clubs to consist of at least a driver, 3 iron, 5 iron, 9 iron, wedge and putter. Tennis shoes or golf shoes with softspikes are required. Dress according to the weather as all clinics are held outside. Sunscreen, caps and jackets are strongly recommended.
